

< Notice on Restrictions for Dangerous and Special Cargo Shipments During Japan's Obon Holiday >

- 1. We sincerely wish continued growth and prosperity for all our valued customers, and we would like to express our deepest gratitude for your continued support and patronage of our services.**
- 2. During Japan's 2025 Obon holiday period, the shipment of dangerous and special cargo will be restricted as outlined below. Please take this into consideration when making your booking arrangements.**

***** 아래 *****

(1) Applicable Area: All ports in Japan

**(2) Applicable Cargo: All dangerous and special cargo (DG, OOG, RF cargo)
(Excluding in-gauge cargo)**

(3) Applicable Period: August 9 to August 17, 2025 (based on arrival in Japan)

(4) Notes:

- The restriction period may vary depending on the port, so please consult your sales or operations representative when placing a booking.**
- During the above Japanese holiday period, please coordinate with the consignee in advance to avoid any issues with local unloading declarations.**
